Wait to reattempt

RANDOM RETEST

15 Minutes — You have 6 minutes to take a retest

30 Minutes — You have 6 minutes to take a retest

30 — You have 6 minutes to take a retest

You have 6 minutes to take a retest

In Hawaii, drivers are required to pull over to side of road to take a retest!

* Automated lockout code process:

1.) Press # and 0 (wait for prompt)
2.) Enter code 00360430
3.) Press #

A final 6 hour time window will be given to reach service center, then vehicle will lock out permanently and require a tow in.

or call 1 (800) 880 3394
